PROGRAMME DETAILS

We have squads suitable for a wide range of ages and abilities - from pre-school to 18 years of age, and from beginner to county level players. All players wishing to attend coaching must be a member of BSLTC. For more information email administration@bsltc.co.uk

Following player assessment, juniors are put into the most suitable group for their tennis needs and work through a planned course of lessons each half term consisting of coaching drills and skills, and match week (typically 5-7 weeks). Each group has an assigned coach (+ assistants when required) and they take responsibility for the group and communicating with parents. During match week parents can look through their child's logbook to view progress and targets.
